

Morning Starr Animal Sanctuary, Inc.

a new beginning

- SPAY NEUTER ASSISTANT PROGRAM (SNAP)
- SENIOR SPAY NEUTER ASSISTANT PROGRAM (SSNAP)

Information: To further its stated purpose of reducing the cruelty of pet overpopulation by encouraging pet owners to have pets sterilized, Morning Starr Animal Sanctuary (MSAS) has established a spay/neuter subsidy fund to assist qualifying pet owners with the surgery costs. Criteria for approval of assistance are flexible and based on a variety of factors. Completion of this application does not guarantee assistance. Please do not book spay/neuter appointment before being approved. MSAS reserves the right to refuse any assistance requests.

Instructions: Simply fill out application. You will be notified of approval and this form to be sent back to your veterinarian. The amount of assistance is based upon pet's species and sex. For SSNAP assistance you must be 65 years of age or older.

Full Name: _____ Phone: _____
